

A.P. Human Geography

Unit 1: Geography and Perspectives

Basic Mapping Skills Assessment

Students are expected to begin this course with a basic knowledge of geographic content. In order to review this content, students are asked to create their own world map that will be assessed and returned to provide a basis for future assignments and activities.

Please label and color neatly, as this will be a resource for you to use throughout the year. You are welcome to use the class textbook or the internet to assist you.

Please draw and label the following features:

1. North Pole
2. South Pole
3. Arctic Circle
4. Antarctic Circle
5. Tropic of Cancer
6. Tropic of Capricorn
7. Equator
8. Prime Meridian
9. International Date Line
10. Great Barrier Reef

Please color the following regions. You may choose which colors are used, but they must be indicated below:
